

## Why should I join the BYU Management Society?

The BYU Management Society is a unique, global professional organization committed to the vision of “growing moral and ethical leadership around the world.” Established in 1977, the society has grown to nearly seventy chapters in twenty countries. These chapters, run independently by elected presidents and executive committees, offer opportunities for professionals to enhance their skills while building lasting friendships and meaningful business relationships. Membership in the society provides exclusive opportunities for all business professionals.

### BENEFITS OF MEMBERSHIP

#### Employment Resources

- Career fairs
- Webinars on job-seeking skills
- Partnership with LDS Employment

#### Networking and Building Relationships

- Networking with local professionals
- Access to social networking groups
- Networking with community and church leaders
- Member-specific groups such as young professionals, women professionals, finance, marketing, human resources, etc.

#### Service to Community and to BYU

- Community projects such as community cleanup, Habitat for Humanity, or inner city student mentoring
- Opportunities to give back to BYU through scholarships and mentoring programs

#### Professional Development

- Quality speakers at breakfasts and luncheons on current business topics
- Gala events and award banquets
- Golf tournaments
- Leadership training seminars

During a time of transition and uncertainty, the BYU Management Society offers stability and support to professionals in the workforce. The connections you make through your chapter can prove to be invaluable as you look for jobs and opportunities in your area. However, the society is not here just to help you find a job. Participation in a chapter will help you to build your business connections, develop skills and knowledge, and become a stronger and more ethical leader, wherever you may be in the world.
